Service Fee: From £200.00

Our time spent collecting, conditioning and pre-preparation of all flowers and foliage, ribbons, containers etc (approx. 20 hours of prep the 3 days before the wedding, not including time spent making the arrangements as this is included in cost per arrangement). Mileage for team members to the venue on the day and for transporting the flowers. Take down and collection of vases after the wedding. This is the minimum charge, depending on the wedding size.
